

### Reminders

Swimming will start again on 5/1/15 please ensure your child has the correct kit and coat.

No coat = No swim

This is due to the unreliable English weather. This rule applies for every term. Your child is aware of this and agrees it is a sensible precaution.

### Loom bands/Football cards and stickers

This has been decided that children are only allowed to bring these in on a Friday for golden time. This is due to continuous arguments about whose card belongs to whom. If this happens on Fridays then the decision will be made to ban these items from school.

Your child is aware of this rule and the consequences if it isn't followed.

### Homework

Please ask your child what homework they have been given and when it is expected to be given in.

Homework usually consists of one maths sheet and one spelling sheet per week.

This is usually given out on a Monday

Spelling tests usually occur on a Friday.

If your child is struggling with this please get them to do as much as they can and then bring it in for some assistance with it.

### Dates for Diary

19/3/15 trip to urban studies centre (details to follow)

This term in our literacy lessons we are going to be looking legends and journalistic writing. We will also be looking at poetic power of imagery and the arguments for and against this.

In science we will be looking at the properties and changes in materials this will tie in with our trip to the urban studies trip.

Our art and history topics are intertwined this term as we are studying Vikings and their ancestry. This covers Viking art – Runes, patterns and designs.

Your child has come home with a log in card for Active learning (maths). Please encourage your child to log on to this program. All children have been allocated maths games in line with the maths they are doing in class. This will help embed their learning and assist them in their progress.

### After School Clubs
