Below is some information regarding what is happening in school after half term.

Summer Sun Safety

- Children need to have a water bottle they can refill throughout the day. The bottle may contain squash or flavoured water. No fizzy drinks or energy drinks please.
- Children need to wear a high factor suntan lotion, this needs to be applied at the start of the day. Suntan lotion in school needs to be labelled with the child's name and the child needs to apply it themselves.
- Hats to be worn (please ensure hats are labelled so they can be reunited with their owner should they become lost).
